REQUEST FOR EXTENSION

On March 4, 2008, your Board adopted a motion by Supervisor Knabe, directing our office to report back in 60 days with recommendations on a child-care policy that would emphasize the importance of child development services; create an integrated focus that includes County departments, First 5 LA, and Los Angeles Universal Preschool; and result in a more efficient use of local, State and federal resources for child development services.

In order to incorporate input from stakeholders representing a variety of disciplines into the proposed policy, we are requesting an extension to June 15, 2008. We are working with the Policy Roundtable for Child Care on this issue and are confident that this extension will allow for the development and vetting of a policy that addresses the complex issues enumerated in the motion.

If you have any questions regarding this request, please contact me or your staff may contact Kathleen Malaske-Samu at (213) 974-2440, or via e-mail at kmalaske.ceo.lacounty.gov.
